Sed cum ceteri Graeci, (81) Persarum perteriti, ex angustiis fugere et Isthmum munire (82), Leonidas, hac sententia non (83), cum suis illic (84) maluit. Ubi (85) rex moratus est, suos milites (86) committere iussit; qui, cum signo dato summa audacia dimicavissent, viam per medios (87) reperire non potuerunt. Denique (88) erat caedes eorum ut proelio desistere invitum ac se in castra recipere coactum (89). Quis tandem putare potuit paucos Graecos non (90) impetum tantum exercitus sustinere sed illos etiam vincere posse? Cum iam (91) Victoriae rex paene amisisset, subito quidam (92) iter per montes ostendit (93) ille cohortes suas praemisit quae Graecos a tergo (94). His rebus cognitis, Leonidas omnes (95) misit praeter suos. Quos prima luce (96) Persae (97) superaverunt. Cum enim parva manus fortissime pugnasset, omnes (98) sunt. Sed quamquam mortui sunt, etiam hodie (99) fruuntur. Nam quidquid bonum vir fortis fecit, semper memoriam (100) tenetur.
